

# SOUNDAMERICA

Soundamerica  
is an open window over  
the Latin American music scene,  
from contemporary electronics beats  
to ancient  
magical roots.

A wide selection of music and  
a specially designed cover illustration,  
done by talented  
LatinAmerican artists

Soundamerica:  
music and visual art  
from the greenest side  
of the world.

2010
